

20th Annual John Lawson Tamalpa Challenge

Another great Cross Country Race was presented by Ken Grebenstein and his excellent crew of Tamalpa Volunteers this weekend on the China Camp Trails in San Rafael.

There was a great turnout of Tamalpa Runners for the Race. 18 Tamalpa women raced for the Club in the day's first race, with Nancy Simmons leading the way. The women's masters' team of Verity Breen, Beth Freedman and Patti Shore are in contention for first place in their age group. The senior women appear to have finished in 2nd place in their age group and we fielded scoring team for the open and super-senior women. Edda Stickle was the first veteran woman finisher in the race. 46 Tamalpa Masters Men raced for their teams. Wayne Best was the first Tamalpa finisher in this race and appears to have led the man's masters' team to a second place finish. The Tamalpa Senior and Super Seniors appear to have taken first place in their age group competition with Tim Wallen leading the senior men and Roberto Donaire leading the super-seniors. Fred Martin was our first Veteran Male finisher, but it appears as if the Empire Runners Veteran men edged out the Tamalpa Veteran men for first place. For the first time this year we had a strong turnout of Tamalpa Open men at one of the cross country races. 9 open men ran the race and Levi Webb led the way.
